

To Whom It May Concern,

This is to certify that Mr Kyrre SUNDAL, born 04.08.83, has been in our employ from June 19th until August 20th, 2007, and again from June 30th until August 25th, 2008 as trainee.

He has been involved in the below tasks during his trainee-ship:

- The completion of an apartment building project in Oslo; primarily illustrations with coloured plan drawings.
- "N2", zoning of Fet downtown, sun-diagrams etc.
- "Gladengveien" apartment building project in Oslo, participated in the conceptual phase of the buildings and drawing of cross sections.
- Sketched layout for parking-lots for Coop, Lillestrøm.
- Sketched, done in situ measurements, and participated in the documentation to obtain Construction Permit for several minor projects, all from garages, and barracks to apartments.
- Designed and maintained the company's Internet site.

He has participated in on site progress meetings and site inspections.

He has a keen eye for good architecture, is thorough, he maintains good progress in his work and has the ability to finish his jobs in a timely fashion.

He is a nice person with whom it was a pleasure to work. We recommend him highly for a position in a firm of architects.
